Article I. New Shooter Information

Section 1.01 – Guests

- (a) A visiting shooter may shoot as a guest of the club at a reduced Guest Rate. The visiting shooter may shoot at the Guest Rate only twice during the TCTC shoot year.
- (b) After shooting twice at the Guest Rate visiting shooters shall pay the full member rate at subsequent shoots.
- (c) Shooters shooting as a Guest are ineligible for awards, unless otherwise specified.

Section 1.02 – Annual Membership and Dues

- (a) Founding members; A founding member pays dues of \$10.00 annually
- (b) Family membership: Family membership includes all family members for an annual fee of \$50.00. From April through September the annual fee will be reduced to \$25.00.
- (c) Individual membership: Individual members will be charged a fee of \$35.00 annually. From April through September the annual fee will be reduced to \$20.00.
- (d) A member receiving a Grand Champion award will be exempt from membership renewal fees for the next shooting year.

Section 1.03 – New Membership Initiation Fee.

- (a) New members will be charged an initiation fee of \$30.00 in addition to the annual membership fee. In return the new member will receive a new member kit, and a copy of the Rules.
- (b) New members are subject to review by the Board of Directors.

Section 1.04 – Inactive Members

- (a) Any member whose dues remain unpaid 60 days after October 1st will be declared an “inactive member”, and may be removed from the mailing list.
- (b) Inactive members, whose membership has lapsed 12 months or more, will be charged the standard initiation fee as well as the annual membership fee when reactivating their membership, unless waived by the Board of Directors.
- (c) Re-qualification for awards and jackpots is also required if the shooter’s membership has lapsed 12 months or more.

Section 1.05 – Membership and Target year.

The membership and target year shall run from October 1st through September 30th.

Section 1.06 – Members Rights.

A member who believes he or she has been damaged by any official ruling may file a complaint with the Board of Directors in writing within 30 days of the alleged grievance. If the Board determines that restorative action is appropriate it will cause that action to occur. No such action will negatively affect any other member who may have benefited from the original official ruling.

Article II. Classification and Handicap Yardage Assignments for New Members.

Section 2.01 – Classification of New Members Who Are A Member of Another Trap Shooting Association.

A new member who has previously been a member of another trap shooting association must notify the club handicapper and initially shoot at their last classification and/or yardage, if it is greater than the TCTC new member minimum requirements until they have undergone a three score review.

Section 2.02 – Classification of New Members in Singles and Doubles who are not members of another Trap Shooting Association.

- (a) Male shooters will be assigned to “B” Class, until known ability has been established by the results of 3 shoots.
- (b) Ladies and Juniors will be assigned to “C” Class until know ability has been established by the results of 3 shoots.

Section 2.03 – Handicap Yardage Assignment for New Members who are not members of another Trap Shooting Association.

All new members will be assigned to shoot from the 20-yard line.

Section 2.04 – Sub Classification

- (a) Lady Shooter: All females shooters 12 years of age or older.
- (b) Junior Shooter: Any shooter 12 years of age, but not yet the age of 18.
- (c) Veteran Shooter: 65 to 70 years of age; Senior Veteran = 70 plus.
- (d) Guest shooter. Any non-member participating without classification or eligibility for awards.
- (e) It is the responsibility of a Lady, Jr., Vet or Sr. Vet to note their eligibility for sub-classification on their shoot ticket in order to qualify for any sub-class awards.

Section 2.05 – Responsibility for Proper Classification

It is the responsibility of each shooter to shoot in their correct class and/or yardage group. Any shooter competing in the wrong class or yardage must, for that event or events, forfeit all prizes, trophies, and buckle points otherwise earned in that event.

Section 2.06 – Classification / Yardage Assignment Review Section

(a) Monthly Review.

- (1) The Handicapper will increase, by one class, the classification of any member who shoots or ties the high score in his or her singles or doubles class.
- (2) The Handicapper will increase, by one yard, the assigned yardage of any member who shoots or ties the high score in his or her yardage group.

(b) Three Score Review.

- (1) The Club Handicapper will reduce, by one class, the Singles or Doubles Classification of any member whose three score average, since the beginning of the shoot year or his or her last win or tie is below the previous years club average for that class.
- (2) The Club Handicapper will reduce, by one yard, the handicap yardage assignment of any member whose three score average, since the beginning of the shoot year or their last win or tie, is below the previous target year's club average handicap score for that yardage.
- (3) A member may refuse to accept a reduction in class or yardage but if they do they will remain at or above their pre-reduction class or yardage for the balance of the shoot year except if they win or tie.

None of the above reviews will result in an increase or reduction in classification or handicap yardage assignment of more than 1 class or 1 yard.

(c) Year End Review.

Singles and Doubles. The club Handicapper will review each member's single and doubles classifications at the end of the target year as follows: Take the member's year long average separately for singles and doubles. Compare the resulting averages to the table in section 3.02, (b), (6) to determine a member's class for the ending shoot year and the beginning of the next shoot year. The maximum change is two classes. Handicap. After the September shoot the club Handicapper will conduct any required 3 shoot reviews plus move winners up. The members ending yardage will also be the beginning yardage for the following year.

(d) Effect on class or yardage assignments from other organizations.

After the initial class and yardage assignments a members classification or yardage will no longer depend on their class or yardage in any other organization.

Section 2.07 – Handicapping Renewing Members

Any shooter re-applying for TCTC membership, who was previously assigned to a classification or handicap yardage, shall resume shooting at that classification and yardage unless the shooters ATA classification or yardage, if applicable, is greater than the previous assignment.

Section 2.08 – Responsibilities of a Tri County Trap Club Member

- (a) A contestant must be prepared to compete when called by the shoot director.
- (b) Shooters not responding when called may be subject to re-squading, and if not present to shoot after re-squadding may forfeit all event fees.
- (c) A contestant must in no manner interfere with the other shooters on the squad.
- (d) It is the duty of the contestant to see that his or her score, as determined by the referee, is correctly recorded. In case of error, it shall be the duty of the contestant to have the error corrected before leaving the particular post in question or before they leave the trap if the target was within the last five targets of that sub-event. Any discrepancies in scoring or broken targets must be verified by two squad members other than the shooter or the shoot director before leaving the field.

Article III – Awards and Prizes

Tri County Trap Club offers a unique “Multiple Awards System” of Monthly Awards, Annual Champion and Class Champion Awards and Special Achievement Awards. A shooter may win more than one 1st place award in any monthly shoot, unless otherwise specified.

Section 3.01 – Monthly Awards

(a) 16-Yard Singles.

- (1) Awards are provided for the 1st place score in each class.
- (2) Awards are also provided for High Lady, High Vet, High Sr. Vet and Hi Jr. provided that the member did not win their class in singles. Winning an over average point does not exclude a member from the sub-class win. Only Shooters who declare their eligibility at the time of entering the event are eligible for subclass awards.

(b) Handicap and Doubles.

- (1) Awards are provided for the 1st place score in each yardage group and for the 1st place score in class in doubles. There are no sub-class awards.

(c) Champion and HOA

- (1) Awards are provided for the HOA Champion and the HOA winners in each 100 singles class.

Section 3.02 – Annual Champion and Class Champion Buckle Awards.

The annual champion buckle program provides 33 awards for shooting achievements based on ones average and participation throughout the shoot year. A member receiving a Grand Champion buckle, a High Over all Class Champion buckle, or a High Singles, High Handicap, or High Doubles buckle, will become ineligible for the lesser singles, doubles or handicap championship awards.

(a) The awards are as follows:

- (1) (High Over All) Grand Champion (1)
- (2) (High Over All) AAA-AA-A-B-C-D Champions (6)

- (3) High Single, Handicap and Doubles Champions (3)
- (4) 100 Singles AAA-AA-A-B-C-D Class Champions (6)
- (5) 50 Singles Champion (1)
- (6) Handicap Yardage Group Champions (5)
- (7) Doubles Class AAA-AA-A-B-C-D Champions (6)
- (8) Lady, Veteran, Senior Veteran and Jr. Champions (4)
- (9) Past President Award (1)
- 10) Champions of Champions (1)

(b) Qualification for Annual Championship Buckle Awards.

- (1) The member must participate in at least 9 monthly shoots to qualify.
- (2) Qualifiers averages are calculated using the member’s best 9 scores for the target year in each of Singles, Handicap and Doubles.
- (3) Your HOA Class is the same as your “best 9” Singles Class. HOA is calculated by adding your best 9 singles average plus your best 9 handicap average plus your best 9 doubles averages.
- (4) Your award Handicap group is your beginning of the year yardage.
- (5) Awards are calculated in the exact order listed in 3.02(a).
- (6) The following table is used to determine year end Classes for the annual award purposes:

CLASS	SINGLES	DOUBLES
AAA	98 and greater	47.5 and greater
AA	96.25 but less than 98	45.5 but less than 47.5
A	94.75 but less than 96.25	44 but less than 45.5
B	93 but less than 94.75	42.5 but less than 44
C	90 but less than 93	40 but less than 42.5
D	Less than 90	Less than 40

Section 3.03 – Annual Special Achievement Award(s).

(a) The 12-point Buckle Qualifications Are:

- (1) The member must be in good standing to be eligible.
- (2) The member must earn a minimum of 12 buckle points in the target year. Points cannot be carried over from one target year to the next.

- (3) The winning score by class or yardage in Singles 100, Handicap and Doubles earn 1 point.
- (4) The winning score in Singles 50 earns 1.0 point.
- (5) The HOA Champion and the HOA class winners earn 1.0 point.
- (6) The High Lady, High Vet, High Sr. Vet and High Jr. winners each earn a point for their high score in the Singles sub-class except when they have already earned an over average point in the Singles 100 event.
- (7) A member shooting a score equal to or higher than the previous target year's 12 month average winning score in the member's Class or Yardage Group will receive a point unless the member earned a point for high score in that Class or Yardage Group. Winning a point by this method does not necessarily mean the shooter will receive advancement in class.
- (8) It is possible for more than one shooter per Class to earn a point.
- (9) It is not possible for any shooter to earn more than 1 point per event or more than 4 points per shoot.
- (10) A 12-Point Buckle will be awarded to qualifying members the first time they qualify. Members who qualify again in subsequent years will receive a 3 mm (10 point) diamond enhancement installed in their original buckle with the year earned engraved next to the diamond. The diamond and date will be awarded each subsequent time the member qualifies.

(b) The Champion of Champions Buckle.

- (1) The Champion of Champions competition will occur concurrently with the typical monthly club shoot in October.
- (2) The Champion of Champions buckle will be awarded to the qualifying member shooting the High Over All score at the above-mentioned Club shoot.

(c) The Qualification for the Champion of Champions Buckle Are:

- (1) The member must have participated in a minimum of nine shoots during the target year.
- (2) The member must have earned a minimum of 12 points, or have won a minimum of one Singles event, one Handicap event, and one

Doubles event in their classification or yardage group during the target year.

- (3) As an alternative to item #2 above the member can qualify by having previously earned a 12-point buckle or a Champion of Champions buckle and must have participated in a minimum of nine shoots during the current shoot year.

(d) Shoot-Off for Tied Scores For the Champion of Champions HOA Award.

- (1) Ten single targets.
- (2) Ten handicap targets from their designated yardage.
- (3) Ten double targets
- (4) Shooters will continue until the tie is broken. Shoot-off sub-events must be completed.
- (5) The Champion of Champions tie is the only tie that requires a shoot-off.

Section 3.04 – Handicap Jackpot

- (1) An optional rolling Jackpot in each handicap yardage group is available to members and can be entered at the time of event entry.
- (2) New members must participate in a minimum of six Tri County shoots before they become qualified to enter the jackpot. These six shoots do not need to be consecutive, nor do they need to be in the same calendar year.
- (3) Any member who has missed six consecutive shoots, become disqualified and must re-qualify to again become eligible to enter the jackpot.
- (4) Any qualified member entering the jackpot, who shoots a perfect 50 in the handicap event, shall win the total amount in the yardage group jackpot. Any entry that shoots a score of 49 will win half the yardage group jackpot, if not paid to someone shooting a 50.
- (5) Shooters with tie scores will divide their yardage group jackpot amount equally.
- (6) It is the responsibility of members who enter a jackpot to be knowledgeable of and abide by the jackpot rules. Any ineligible member who pays a jackpot fee will have the fee refunded.
- (7) Jackpot fees accumulate and totals grow until won by a qualified entrant. Current jackpot amounts are published in the newsletter and are available at each monthly shoot.

Article IV – Official Rules of Tri County Trap Club Tournaments.

a) 16 Yard Singles

- (1) A 16 yard six class system will be used: Classes AAA, AA, A, B, C and D. This event must be shot five shots at each post from 16 yards with each shooter in order shooting at one target until all have shot five times, and rotating in a clockwise manner to the next post.

b) Handicap Targets.

- (1) There will be five yardage groups assigned: 20, 21, 22-24, 25-26 and 27. This event must be shot five shots at each post, with each shooter shooting at one target at a time until all have shot at five targets, and then rotating in a clockwise manner to the next post.
- (2) A contestant must stand on the highest whole yardage assigned to him or her. For example, if a shooter is assigned 20.5 yards, then the shooter must stand on the 20-yard line. A shooter may not stand on a higher yardage than they are assigned.

c) Doubles

- (1) This event must be shot from 16 yards with each shooter in order shooting at two targets thrown simultaneously from the trap house until all have shot at 5 pair of targets, and then rotating in a clockwise manner to the next station.

d) Squading – Squads of 5.

- (1) In all Club events contestants shall shoot in squads of five except when there are less than five contestants available in an event.

e) Squading – Squads of less than 5.

- (1) When the yardage difference in handicap make it unsafe. Example, no more than two yards difference between adjacent shooters.

- (2) When there are withdrawals from the squad after the competition has begun and the squad is scheduled.
- (3) When, in the opinion of the Club officials, the harmony of the shoot may be enhanced by squading less than five.

f) Squading – More than 5.

- (1) It is illegal for more than five shooters to be on a squad.

g) Squading – Practice Shooters.

- (1) The squading of practice shooters with those shooting club events shall NOT be allowed.

h) Squad Leader – The Shooter in Position One is the Squad Leader and Should.

- (1) Ascertain that all members of the squad are ready before commencing the event.
- (2) Call for one (only one) target or pair before starting their squad to shoot the sub-event.
- (3) Verify the scores with the squad and scorer, and initial the score sheet at the end of each sub-event.
- (4) Return the squad sheet to the handicapper and verify the recording of all scores after shooting the event.

i) Shoot Interruptions.

- (1) If during an event, a contestant is thrown an illegal or broken target, the contestant shall have the right to see one legal target or pair before resuming shooting.
- (2) If there is a delay due to trap or gun trouble, the contestant in turn may ask to see a target.
- (3) A change of fields for any reason is not permitted without the permission of the Shoot Director.

j) Shoot Cancellation

- (1) A consensus among the participating shooters will determine the modification, postponement, or cancellation of an event due to inclement weather, darkness or other causes.

k) Official Scoring of Broken or Dead Targets.

- (1) A broken or dead target is one that has a visible broken piece from it, or one that is completely reduced to smoke. If no perceptible piece is seen, it is not a broken target. Dust of a target is NOT a broken target.

l) Lost Targets – When The Scorer shall call “LOST”

- (1) When the contestant shoots and fails to break the target, either missing completely or when only dust is seen.
- (2) When the whole target appears promptly at command of the contestant and is within the legal limits and the contestant does not shoot.
- (3) When an illegal target, or a freak target, is shot at and missed. Contestants may refuse illegal targets but if they shoot the results must be recorded.
- (4) If a contestant has more than two misfires in any sub-event of 25 targets, any additional misfires will be recorded as a lost target.
- (5) When a contestant voluntarily withdraws from or is disqualified, and takes no further part in the event after having shot one or more targets, and thereby, has not shot the total number of targets for that event, the referee shall declare all targets not shot at as lost and scored accordingly.
- (6) When the score sheet comes in to the Recorder or Handicapper with one or more targets not scored at all, they shall be scored as lost.
- (7) If a contestant uses a shell after it has misfired, they shall abide by the result obtained through the use of that shell.
- (8) A contestant whose firearm breaks during the competition will have five minutes to repair or replace the firearm and continue. If unable to do so, the remaining targets of the sub-event are to be scored as lost.

m) Tie Scores and Shoot-Off Rules.

- (1) Ties will be determined by Long Run.
- (2) Long Run will be determined by the longest string of broken targets anywhere within the score.
- (3) If there is a long run tie, the winner will be determined by the 2nd and 3rd long run respectively, of that event.
- (4) Perfect score ties, unless otherwise stated, divide the awards or flip a coin.
- (5) Three or more perfect scores will divide double the award when possible.

n) Safety

- (1) It is the shoot officials and the shooter's responsibility to conduct the shoot in a safe manner and to advise any contestant of unsafe gun handling.
- (2) The practice of tracing targets behind a shooting squad is unsafe and disconcerting to the shooter and is not permitted.
- (3) In handicap shooting, there shall be no more than two yards difference between adjacent shooters in the squad.
- (4) In case of misfire, the contestant shall keep their gun pointing downrange and open the gun with caution.
- (5) A gun may be loaded only when the shooter is on the firing station.
- (6) The gun must be empty when the shooter is moving from post to post.
- (7) All guns must be kept open, unless in the gun rack, and unloaded at all times, except when on the firing line. Violators subject themselves to immediate disqualification, without recourse, with dismissal from the grounds. A second violation should be brought to the attention of the Board of Directors for review.
- (8) As a safety precaution, no test shots are permitted.
- (9) A contestant shall load their gun only when at the firing line and facing the traps. In singles and in handicap shooting, they may place only one shell in the gun at a time. In doubles they may place only two shells in the gun at a time. And they must empty the chamber before moving from one position to the next.
- (10) The shooter on post five shall walk behind the other shooters when rotating to post one.
- (11) All guns used by contestants must be equipped and so used as not to eject empty shells in a manner to substantially disturb or interfere with other contestants.
- (12) Consumption of alcoholic beverages is not permitted during any TCTC shooting event.
- (13) Eye and ear protection must be worn.

o) Guns and Ammunition a Contestant Cannot Use.

- (1) A gun whose bore is larger than 12 gauge. Only 12 gauge shotguns and ammunition are recommended. Guns of smaller gauges are permissible, but no consideration shall be given to their use in any shooting event.
- (2) Any load other than lead shot. This includes tracers, copper, and nickel-coated shot.
- (3) Any shell loaded with black powder.

END
